Some areas explored include:

- the Andersen prosecution and the Congressional response - essentials for complying with 1519/document retention after Sarbanes-Oxley - other significant key white collar cases like Frank Quattrone and Martha Stewart

About Executive Reports: Executive Reports offer focused, hard-hitting advice from the leaders of some of America's top companies, packaged in a concise, readable format. Each research report provides readers with 3 to 5 strategies that will have a direct financial impact on their business. While not meant as a comprehensive guide, each report includes quick-hit items that can immediately impact specific business strategies. Executive authors drill down to the central issues surrounding each topic area and dispense expert advice in concise, direct language. Executive Reports feature leading professionals selected by the Aspatores Editorial Board based on their experience, research, and standing within the professional community.
