

Conflicts And Alternative Dispute Resolution: A Complete Guide On Conflicts Management & Disputes Resolutions

This book discusses the various aspects of conflicts, conflict resolution and alternate dispute resolution. It is divided into three parts. In the first part this book explains in detail what are conflicts, the term conflict, its definitions and analysis from our point of view and that of various scholars. Different types of conflicts are also explained in detail. Then we discuss various outcomes of conflicts and prevention measures that can be taken to avoid conflicts from occurring. Various approaches that can be taken to solve disputes are mentioned next and the second part of the book deals with various dispute resolution strategies. The third part is solely dedicated to alternate dispute resolution. This book is an ideal guide for those who want to understand conflict resolution and alternate dispute resolution.
