

Apple Pro Training Series: Logic Pro 9 and Logic Express 9

Completely revised and updated for Logic Pro 9 and Logic Express 9, this Apple-certified guide shows you how to record, produce, and polish music files with Apples professional audio software. Veteran music producer David Nahmanis step-by-step, instructions teach you everything from basic music creation to advanced production techniques using Logics software synthesizers, samplers, and digital signal processors. Using the books DVD files and either Logic Pro 9 or Logic Express 9, youll begin making music in the first lesson. Whether youre looking to use your computer as a digital recording studio, create musical compositions, or transfer that song in your head into music you can share, this comprehensive book/DVD combo will show you how.

DVD-ROM includes lesson and media files

Focused lessons take you step-by-step through professional, real-world projects
Accessible writing style puts an expert instructor at your side
Ample illustrations and keyboard shortcuts help you master techniques fast
Lesson goals and time estimates help you plan your time
Chapter review questions summarize what youve learned and prepare you for the Apple Certified Pro Exam
