

# Minecraft Essentials: Building Ideas For Homes and Structures (An Unofficial Minecraft Book)

Welcome to the exciting world of Minecraft! In *Minecraft Essentials: Building Ideas For Homes and Structures (An Unofficial Minecraft Book)* we are going to go over the basics and advanced principles of building your very own home. Every player starts with the humble but sustainable dirt home, but no player wants to stay there long. Starting from the very beginning with building basics, we will take you on a journey of learning how to gather the best materials and lay them in artistic ways to build the home of your dreams. Most of this guide will assume that you use Survival Mode, but we will also touch on the pros and cons of Creative Mode for those of you who are only interested in building. In no time you'll turn Steve from a humble dirt dweller to a sophisticated homeowner.
