

## Blackstones Police Q & A: 2014 (Blackstones Police Manuals)

Blackstones Police Q&As 2014 are essential revision tools for all police officers sitting the OSPRE Part 1 promotion examinations. Written in partnership with the best-selling Blackstones Police Manuals, the only study guides endorsed by the College of Policing, the Q&As experienced author team follow subjects in the same sequence as the Manuals, providing the most authoritative means of self-testing outside of the Promotion Examinations. Blackstones Police Q&As 2014 contains hundreds of multiple-choice questions designed to reinforce knowledge and understanding of the Manuals. Matching the format of the promotions examinations, each Question has a detailed and comprehensive Answer that highlights not only the correct response, but also the reasoning behind the incorrect responses, allowing candidates to highlight any gaps or weaknesses in their knowledge. Full cross-references to the relevant Manual paragraphs and Keynotes support more effective studying and a question checklist helps candidates track their progress. The 2014 editions of this popular series contain important updates, reflecting changes to the 2014 versions of the Blackstones Police Manuals. All titles have been updated to include new questions in line with changes to recent legislation, including the Legal Aid, Sentencing and Punishment of Offenders Act 2012, the Protection of Freedoms Act 2012, the Criminal Procedure Rules 2012, the Terrorism Act 2000, as well as revised PACE Codes C and G. This product is not endorsed by the College of Policing.
