

Punished By My Step (Taboo Fertile First Time Erotica)

Shush, Pumpkin. Its time for your punishment. I didnt mean to scrape up the car! And I guess I wasnt allowed to drive it anyway, but now its time to face the music. My man of the house is a stern man, and his brand of punishment is of the old-fashioned kind. Its supposed to hurt, so why does it feel so good? Its so wrong, so why does it feel so right? By the end of the day, hes taken me roughly and without protection. A first time never felt so good, even if my behinds still sore.
