

Come Away With Me (Interracial BW/WM Erotic Romance)

Friends can be lovers, and lovers can be friends. When Tisha gets dumped by her boyfriend, she has to give up her ski trip, unless she can find someone else to go with her. On a whim, she gets Bradley, a man of a different persuasion in her circle of friends, to come with her. They realize that they've been burying feelings the whole time, as their bodies quickly burn for each other. On the plane ride to the resort, on the slopes and in the cabin, ebony and ivory will create passion in the hottest ways imaginable. **WARNING!** This story is super hot and should only be read when you have a free hand and a little bit of me time! You'll find juicy depictions of rough, interracial sex, oral, doggy style in public, hot action on an airplane and so much more. **EXCERPT:** I still hadn't seen his cock, so my mouth was watering wondering what it looked like and how it would feel in my pussy and down my throat. For now, though, we were on the slopes, so it was time for me to unwind and enjoy myself, forgetting all about the fact that I had just gotten out of a relationship. You look like you're about to fall, Bradley yelled out, teasing me. I stood on my skis, my arms shaking, as I attempted to hold myself up. My arms wobbled as I cruised along at about 1 mile per hour, and it was only a matter of time before I would belly flop into the snow. Just as I was about to eat it hard, I felt a pair of arms scoop me up. Thank God, I thought to myself. When I turned my head, I saw that it was Bradley.

Tisha and Bradley are at it again.
