

Amys Regimen (BDSM, Doctor Fetish, Menage Adventures) (Doctors Fetish Toy Book 4)

The first book in this serial is currently available for free here: <http://www.amazon.com/dp/B00RFUGDYA/> Amy has a serious obsession with medical professionals: she tries to seduce a different doctor almost every week, just to indulge her fetish. She's collected quite a roster of conquests, but it never seems enough. One day, she meets Dr. Weber, who sees right through her. What she doesn't know is that he has a dark fetish of his own. He's into the D/s lifestyle, and Amy's first visit is full of surprises. Instead of taking charge of the situation, she finds herself fully exposed, humiliated... and flogged. Submission to Dr. Weber surprisingly results in more titillation for Amy than she could ever imagine, and she falls down the rabbit hole of his kinky world that includes multiple partners, medical and other instruments, and rough play. Authors Note: This book is the final part of a longer novella, delivered in a serial format. All previous books in this serial are available in Kindle Unlimited (the first book is free). There is an HEA at the end of this book, which completes the serial. The previous installments in Doctors Fetish Toy serial are all available, just click on the Series link below. This story contains some scorching hot sex and creative adult situations. If you have problems with these themes, you might want to skip this one. However, if you like your BDSM adventure stories with the heat level turned way up (sometimes even including back door action!), this is the story for you. Enjoy!
