

# Dictionary of Criminal Justice (Focus)

This updated 6th edition of the Dictionary of Criminal Justice brings together, in one, easy-to-use guide, more than 3,600 definitions from the many disciplines that compose the field of criminal justice--including U.S. and English common law, penology, psychology, law enforcement, political science, and business administration. This volume also features summaries of nearly 1,000 key U.S. Supreme Court rulings affecting criminal justice. An appendix of juried academic journals is included, and a new compilation of Web sites in the field.
