

Forbidden Love Book 3 (Submissive Romance)

Olivia and Dean must decide if they can forgive each other for their mistakes and move toward reconciliation. Dean demands answers from Olivia about who she is and why she was at the BDSM club in the first place. She finally confesses and Dean is livid. He shouts at her and reminds her that she broke the two most important rules: trust and communication. Angry, he tells her that he can no longer be her Master, and then tells her to leave. She does. They are both miserable and heartbroken without each other, but both are too stubborn to do anything about it. Olivia pours her heart and soul into her article, portraying both the lifestyle and her experiences in a very positive light. Dean happens upon Olivia's article, reads it, and is deeply moved by it. So, he swallows his pride and shows up at her apartment where he admits he overreacted and begs for her forgiveness. This ebook contains very hot descriptions of romantic activity.
