Hiding a secret so awful that his only hope for survival is to remain hidden, Grayson has lived most of his life pretending to be someone he isn't. After years serving as a commander to his lord and friend, Grayson can no longer hold back the past. He leaves in search of answers only to find evil awaits him. Until he discovers an achingly beautiful woman who stirs his deepest passions and all-consuming need. Adrianna knows what her future holds for her as a witch - loneliness and heartache. She has accepted that. Until she discovers Grayson near death in the forest. Saving him is her only choice, and even as she falls deeper into the attraction surrounding them, can her magic be enough to stop Fate or the evil that awaits them.
