Dark Road to Daylight is a fast-paced mystery that follows former pastor and now counselor Burke Anderson through another complex and difficult case. Beautiful little Stacy Chapman has been kidnapped, and now because of a messy custody battle and the mysterious note left by her grandmother, Bethany Chapman, Stacy's mother, is being accused of the crime. Her only defendant is her therapist Burke Anderson. He faces a tough decision: to remain neutral and let the police handle the case or use his sleuthing abilities to clear his patient's name and reunite mother and daughter.
