

## Guardians Mate (Shifters Unbound)

Chosen as the Guardian of her Montana Shifertown, wolf Shifter Rae Lyall is facing opposition-for no woman has ever been selected for this powerful position. Still adjusting to the new authority thrust upon her, Rae travels to train with Zander Moncrieff, a Shifter healer, tasked with teaching her about her new role and its responsibilities. A polar bear Shifter, Zander wears no Collar and follows no rules but his own. Rae finds him arrogant and demanding, yet compelling and intriguing. Zander has no wish to mate, but the sassy Guardian is drawing him out of his shell, stirring feelings long suppressed. And when a new threat looms over Raes home, she and Zander must race to the rescue, forced closer to danger ... and to each other.
