

A Mothers Herbal

We all want the best for our children. Intuitive nurturers, mothers have passed on their home health remedies for generations.

Combining their natural wisdom with authoritative advice of a medical herbalist, A Mothers Herbal offers a comprehensive and definitive guide to herbal health care .

Featuring a thorough introduction to herbs, herbal remedies and herb preparation and use, A Mothers Herbal discusses their use before, during, and after pregnancy, and for infant, child, adolescent, and teen care. Herbal remedies are appropriate for any age, safely and effectively enhancing health. Providing safe, gentle alternatives to frequently-prescribed synthetically-derived medications, the book discusses common childhood sicknesses and their corresponding natural remedies.

Lavishly illustrated in full-color throughout, A Mothers Herbal covers the complete range of concerns: * Fertilty and conception * Prevention of miscarriage * Pregnancy and birth * Post-natal care * Infectious childhood diseases Written by an expert herbalist, a mother herself, A Mothers Herbal thoroughly explores herbal child care, allowing the reader to care for herself and her family--naturally.
