

Goldsteins Child Abuse and Neglect: Cases and Materials (American Casebook Series)

This volume may serve as a text in a survey course, a seminar, or a clinical program. The materials are in sufficient detail to aid students who are searching for research topics and who are writing papers. It may also prove valuable to students in other disciplines, such as social welfare, psychology, and public health. And this text may also serve practitioners as it contains the relevant canon of Supreme Court cases and certain lower court cases.
