

Ending Elder Abuse And Enforcing Elder Justice Today!: The Latest Facts, Information, and Links from the Web Attest Blog Watch

Elder abuse, neglect, and exploitation are a serious human rights issue that comes in many forms. It has significant consequences on the health, well-being, and independence of our senior citizens. In many cases, it is the seniors family, or caregiver that is causing the abuse. The problem is compounded by the lack of standardized practices, public awareness, and policy guidelines at the national level. This book highlights information and resources to address and enforce elder abuse policies and protections you may not be aware of. Bonus material is Volume One of the The Precision Medicine Initiative Newsletter. And after that my personal story of why precision medicine could have affected myself and my family if it was in existence before today.
