

Ebony Neighbor (BWWM Interracial Erotic Romance)

Sheena is newly divorced and completely alone. Starting over isn't easy, and Sheena isn't sure she can do it. But she vows to, no matter the cost. She is strong, independent. So when Daniel, her downstairs neighbor, shows up at her door, all she can do is try and stay independent. Except fantasizes of him creep up on her, making her feel things she was trying so hard to keep hidden. To keep away. This is an erotic romance about a black woman and a white man.
