

## To Wed The Widow (The Reluctant Bride Collection Book 3)

Come back to a time when manners are everything and rules are made to never be broken. Come back to a time when men are in charge and women do what they are told... Yeah, that never happened. Welcome to Megan Bryces Regencyland, where ladies with backbone get what they want. Where a woman can thumb her nose at rules and care little for convention, and yet somehow, unexpectedly and most reluctantly, find love. To Wed The Widow

A man with a Future, the Honorable George Sinclair would rather poke his eye out than take his place beside his brother and learn How To Be An Earl. But when an earl orders, a brother obeys. And when an earl tries to make his brother steady and responsible and old and gray, well... it just might kill them both. A woman with a Past, Lady Haywood is a scandalous distraction that no honorable gentleman can ignore. Especially one whos just been told that his very happy life is changing irrevocably to the boring. But even if a scandalous distraction is what George wants, what he needs is a wife. A virgin wife. A scandal-less wife... The earl would be the first to say that his brother has always had a problem choosing what he needs over what he wants. Lady Haywood would say that very few women who have buried five husbands would bother with a sixth. And George would say... why, this sounds like fine fun. ~The Reluctant Bride Collection~ (books can be read in any order) To Catch A Spinster To Tame A Dragon To Wed The Widow To Tempt The Saint
