

Novells Four Principles of Nds Design (Novell Press)

This book focuses on the four major principles of designing NetWare Directory Services (NDS). By understanding these principles, the readers will not only be able to design NDS trees but also have the assurance that they are using Novells rules and recommendations. The target audience is NetWare 4 administrators, system integrators and consultants.

0 of 0 people found the following review helpful. An indispensable NDS design. referenceBy Doesnt MatterThis book is the standard. If you are installing NDS.
