

## Pathfinder: Goblins! #2 (of 5)

Two goblin-themed short stories, set in the beloved Pathfinder RPG universe! Gurgle, the most brilliant Longlung ever to draw breath, has a plan. Along with his feckless pal Deep, he'll convince a tribe of Squidwhistlers to help him sink a treasure ship, and then... profit! Meanwhile, a pack of goblins steals an invisibility cloak from a traveling merchant. Once the mystical pranks lose their appeal, Mub the Goblin knows there's only one crime worthy of a true goblin hero: stealing Chief Korgamorgs magic pig!
