

Keep Calm and Colour In: A 1940s Colouring Book (Creative Colouring for Grown-Ups)

Explore your creativity by giving color to the elegant and timeless fashions of the 1940s. Coloring has long been known to be a calming and relaxing hobby, and with this wonderfully nostalgic book that harks back to the glamorous 1940s you can release your inner creative spirit and unwind at the same time. With more than 100 beautiful illustrations to color and complete, this is a chance to recreate some of the glamour and class of the 1940s with your own hand. Revisit a golden age of art and design, and add your own style and look to these timeless illustrations. The ideal gift for the creative doodlers and vintage fashionistas.
