This book is filled with the ancient lore of the Gypsies, outlined in a way you can easily understand and use. Within these pages you will learn how to:

- Discover your future spouse
- Attract a lover
- Bring you and your lover closer together
- Keep your spouse faithful
- Retain youthful beauty and virility
- Make love potions, amulets, charms and talismans
- Get rid of an unwanted suitor

Here is a simple way to make your lover more attentive to you: Sit before a dying fire and gaze into it. Focus your mind on your lover. Have a small basket of laurel leaves between your knees. With your left hand, take some out and toss them into the fire. As they burst into flame, chant out loud the following: Laurel leaves that burn in the fire, Draw unto me my hearts desire. When the flames have died down, repeat this two more times. Within twenty-four hours your lover will come to visit you. There is more to this book than just getting a lover. This book also gives you magical techniques to keep a lover once you have him or her. Also, Gypsy love magick is about the family. Youll find the traditional magical methods used to create harmony, end sibling rivalry, promote understanding between a parent and child, and more. Ray Buckland has done the magickal community a great service by offering the secrets of Gypsy love magick. All you have to do is accept the gift.
