

Charming Her Alpha (Paranormal Werewolf Shifter Romance)

The discovery of the Lycan gene--a mutation that allows people to become werewolves--has thrown the world into disarray. There are many who accept that some are born with it but there are always those who fear and hate what they don't know and choose to ostracize their fellow man. Kaylee is the daughter of Senator Peralta, who is the front runner for the bill advocating the segregation of werewolves and denial of Lycan rights. When she meets Drew, a handsome young man campaigning hard against her father's policies, her curiosity at his views tempts her to explore deeper. But when the unexpected spark of passion flies between the two, Kaylee will find out what Drew really is. Will she be able to see Drew for who he is rather than what he is or has her father's prejudice taken root too deeply inside her already?

Her last customer, however, is none other than rock star and secret werewolf Vance. Though she wants to say no to him, his insistence and charming smile is too much. Claimed by the Alphas Son (Werewolf Shifter Paranormal Erotic Romance) When Maxine's stalker client comes across the ocean and attempts to take her.
