

## Dirty Secret: The Complete Series

The mans hand clamped down in Jamies mind, too, and the mingling of pain while he was on the throbbing verge of excitement seemed nearly too much. The second slap was almost playful in reply, just to watch his cute, firm butt jiggle, bent over the back of the chair. He took his hand away after two tantalizing slaps and leaned his mountainous body over the boys, breathing ragged breaths over his neck. After being screwed silly by his soldier lover, Mark, on a dare, Jamie realizes how easy it is to taunt and manipulate the men around him. Next, he starts on the hapless man of the house, Jeff, cornering him into being a man and taking what he wants, much to the boys pleasure. Finally, hes sent for corrective instruction with his Pastor Clark, who has no tolerance for his gay in-law before he realizes that Jamie sees him as little more than a challenge... This is a 21,000 word novella featuring encounters between a hot twink and the men of the household , explicit, passionate gay seduction and temptation of three older straight men. All characters in this story are over the age of eighteen. Collects the stories Welcome Home, Soldier, Hard To Get and Led Into Sin. EXCERPT: Im really sorry...you caught me and Im really sorry! I dont know what I was thinking. You were thinking nothing would happen because Im so nice to you. Theres only so much I can take, Jamie. His hand fell away and his rod swung, like a hinge on a door. It looked solid and he motioned for me to turn around. I did as he said, resting my arms and chin on the top of the couch while my butt stuck up in the air. I could only hope he wasnt turned off by the sight of me naked there, hanging down as I spread my legs for him. I hoped to get off easy with a spanking. Please....Im so sorry, I arched my back slightly into a better position for him. I promise Ill keep my voice down. Thats not good enough, he mumbled, and I felt him looming over me.

His hand reached around and covered my mouth. I felt something warm and wet dripping down my crack the next moment and the sensation made my lower half buckle. I couldn't see but I would bet it was his spittle. What are you doing? I mumbled through his fingers. He pushed my head into the couch cushions like he did sometimes when he was being a jerk. This was slightly different, I thought, and gripped the couch cushions. He was still leaning over me. If you get loud, were dead meat. I nodded to show I understood and heard a squirting sound, like ketchup coming from a tube. It didn't even take a second before he was inside me, filling me up. It happened so fast that my eyes rolled back in my head like a needle was jabbing my brain. I couldn't tell you if I moaned but I must've because he responded by putting a pillow in front of my face to bury my mouth in. Jesus Christ, he was huge. There was no ceremony to it at all; his pumps were short, quick and hard.
