

Solomons Sieve (Knights of Black Swan, Book 7)

When Sovereign Solomon Nemamah lay dying on a beach under an overturned vehicle with his fiancée helplessly sobbing next to him, he made a vow to himself that he would refuse to stay in some arbitrary afterlife. He silently promised to return and finish what he started with The Order of the Black Swan and the love of his life. When the new Sovereign of Jefferson Unit begins saying and doing things that remind people of Sol, it raises suspicion in the minds of people who were closest to him. Dr. Mercy Renaux is a new hire archeologist seeking to change her life and find something to blot out the guy she can't forget. Sir Rafael Nightsong, bad boy member of the infamous Z Team, is the guy she can't forget. When his team is assigned to escort the recent recruit to Bulgaria on a mission to contain irrefutable evidence that vampires exist, they both wish they worked for somebody else.
