

Step Trainer (A Taboo Pregnancy Romance)

Chris and Elizabeth are two sexy steps on break from college. So when Elizabeth gets injured on a training run, Chris, an exercise science major studying to be a trainer, is more than ready and willing to help out his never-been-touched step. Little do they know, however, just how pent up their feelings have been for each other all this time. Getting and receiving massages proves just too sensual for their long-restrained lust, and they finally explode in rapt passion, exploring their limits with wild, reckless abandon.
