

## Summers Journey: Volume Three - Bondage Ballet

The third volume of this continuing True Romance / Erotica series follows Summers journey as she continues to explore an erotic alphabetical education with Mark. Over the next few days, my thoughts turned occasionally to what Mark might have in mind for our coming meeting. Naive as I was about sex up until this point in my life, I did have unlimited internet access and an inquisitive nature. I was aroused by a lot of what I found and appalled by some as well. Come continue my journey of sexual self-discovery with me. See through my eyes and feel through my touch. Approximately 5,600 words this third volume continues the explicit erotic education of Summer and is meant for mature audiences only.
