

Sharing the Hottie Next Door (Taboo First Time Older Man Younger Woman) (Double Trouble Book 1)

Lets go inside, I say firmly. Were not done with you. Untouched Pam and Sam have always done everything together: they grew up together, bought their first lipstick together, and even starting dating at the same time. Now its time for another first together, and when they decide its time to lose their innocence, they set their eyes on their new hunky next-door neighbor a tanned, muscular dancer for a well-known strip club. The gorgeous model has a reputation for packing large, and the girls are ready to take all he can stuff them with, hard and unprotected!
