

## Rico: Seduction Series, Book 3

A paranormal erotic romance novel. Meet the supernatural masters of passion and seduction, feeding upon the erotic dreams and pleasure of humankind. Rico is an angry and discontent incubus warrior. He was lured into bonding a succubus queen that he never desired. Now he is being hunted, along with his black-winged brothers. Barely managing to keep themselves fed, they fight to protect each other, and the human women who now depend upon them. Never has such a covey existed before, with incubi males mated to mortals. Such breeding practices have been illegal among the incubi for millennia. Rico's queen mother would have destroyed any males in her covey that attempted such a thing, and now Rico understands why. Human women are weak, they can't fly, and they force the covey to remain in one place for much longer than is safe. Rico is desperate to break his bond to the succubus who now commands him, but to do so, he'll need to seduce a woman of his own. It's a dangerous gamble. If he allows things to go too far, he might find himself in an even worse predicament...mated to a mortal. Terra is a cop who lost her husband to the corruption which now fills her city. She is bitter and keeps her emotions locked up tight behind a hard-ass demeanor. Determined to put an end to a long string of serial killings, she finds herself face to face with a supernatural evil unlike anything she could have ever imagined. When a monstrous, black-winged incubus saves her life, the last thing she planned was to end up in his bed. Now she is drawn into a clash of desires with a sex demon as they team up to battle an inhuman adversary, and gain reinforcements from the most unlikely of sources. Please note: This book is intended for readers 18 years and older, there is strong language and explicit sexual encounters, including mild bondage and BDSM references. As the legends suggest, both incubus and succubus demons feed

upon sexual energy stolen from sleeping humans. While this might suggest questionable consent, they are actually very generous and considerate lovers. Celeste Halls Seduction series: Book #1 Ethan Book #2 Kye Book #3 Rico Book #4 Gavin Book #5 All The Queens Men Book #6 The Brothers Sin
