

The Florida Criminal Cases Notebook

Your First and Last Stop for Florida Criminal Citations With respected Florida criminal attorney Adriana Collado-Hudak on board as the new author, this years edition of Florida Criminal Cases Notebook continues the guides tradition of boiling key Florida criminal cases down to succinct summaries of their facts and holdings. The new edition of Florida Criminal Cases Notebook includes over 125 new case summaries, organized by topic and court circuit, so you can keep you up-to-date with the latest case law. Author Kurt Erlenbach, one of the most respected Florida criminal attorneys, has boiled the key criminal cases since 1987 down to succinct summaries of their facts and holdings. One to three sentences cover most cases. All case summaries are first organized by one of 150 topics, and then second by circuit. The most recent cases are positioned first. The end result is a quick-reading, easy-access summary of virtually the entire body of Florida criminal case law. Florida Criminal Cases Notebook amasses more than 8,000 case summaries, including every key criminal case since 1987. Written by one of the leading criminal specialists in Florida, it offers quick access to the most important cases with a comprehensive topical index. Its updated twice annually to keep you up-to-date with the latest case law. The Notebook includes the following: Special emphasis on sentencing, evidence and search & seizure Broad coverage of frequently arising trial topics Detailed notes with expanded factual background Useful index and table of contents Ask most Florida judges, public defenders and state prosecutors where they look for fast criminal citations and youll likely get the same answer: Florida Criminal Cases Notebook. Written with a busy criminal attorney in mind, the Notebook gives you instant access key cases and information. If theres a point to be made, youll find it here.
