

The International Journal of Sport and Society: Volume 2, Number 1

** Contents available at <http://ijr.cgpublisher.com/product/pub.191/prod.83> ** The International Journal of Sport and Society provides a forum for wide-ranging and interdisciplinary examination of sport, including: the history, sociology and psychology of sport; sports medicine and health; physical and health education; and sports administration and management. The discussions in the journal range from broad conceptualisations of the fundamental logics of sport, to highly specific readings of sporting practices in particular times and places. The International Journal of Sport and Society is peer-reviewed, supported by rigorous, criterion-referenced article ranking and qualitative commentary processes, ensuring that only intellectual work of significance is published.
