

The Jesse James Archives: An Outlaws Wrath (Wild West Exodus: The Jesse James Archives)

The life of Jesse James has not been easy; he has paid dearly for every ounce of recognition and respect he has gouged from a nation torn apart by war. The price may have been too high, however, as the brittle outlaw skirts the edges of madness, driven down a brutal path of vengeance and retaliation by the shadows of his past. A dark presence constantly pulling on his mind drives Jesse to the unthinkable.
