

Where Destiny Plays (Harwell Heirs)

Harwell Heirs series, Book Three A night of passion at Victorian England's most notorious masquerade finds Arthur Harwell in the arms of Lavinia. A wealthy viscountess with strong political ties, she's the perfect match for the future marquess. But tragedy has left her unable to provide Arthur with the one thing he needs: an heir. Must Arthur abandon true love to satisfy aristocratic obligations? Lavinia, the Viscountess Foxley-Graham, lost her heart twenty years ago to a man not her husband--with disastrous results. Now widowed and wealthy, she has her pick of lovers, including the far too appealing--and thoroughly unobtainable--Lord Petersham. Can she fight her demons and allow herself to love again? A tragedy twenty years ago incited Arthur, the Earl of Petersham, to vow never again to fall in love. Yet a passionate encounter with a stranger at a masquerade inflames his hopes, and he is determined to find her. When he discovers the stranger is Lavinia, a woman for whom he already carries a torch, he is certain his future is settled. But can he reconcile familial duty with his love for a woman unable to fulfill aristocratic obligations? Inside Scoop: Arthur's inclinations encompass male/male pleasure, exotic role-play and menage. Lavinia and her ex-lover Julius harbor dark secrets, including adultery and abortion. Plagued by this past, Julius seeks solace in torturous release.
