Strange tales, even stranger animal deaths, and a handsome cabin neighbor lead her to believe that something is amiss around the placid waters of Wolf Lake. Wolf Lake #2: Grace Stevens stay at Wolf Lake grows into a bigger mystery as her neighbor, the handsome Will Campbell, woos and lies to her. She is torn between her growing affection for him and her mistrust toward his actions. The annual lake picnic gives her chance to meet other, more normal people, but Will has other plans for them both. Wolf Lake #3: Howling in the night.

Strange shadows, and even stranger explanations from her neighbors. Grace Stevens vacation is turning into a mystery of furry proportions as she tries to unravel the secret about Will and his unusual servant. She is momentarily distracted by the Hunt, but the mystery deepens when she finds herself on the receiving end of a pair of hungry golden eyes. Wolf Lake #4: Grace is confronted with the truth about her handsome neighbor. Now she must decide where her future lies, with the feral love of a werewolf or her only dreary life as a secretary. Choices become complicated when the other lake inhabitants learn about the wild beast running in the woods at night and enlist the help of the locals to catch and kill it. Time is running out as Grace finds herself on a collision course to destiny.
