

## Word Filled Families Walk in Truth

When the Gospel of Jesus Christ entered the Roman world of the New Testament the landscape was very bleak. Christ's church was born into a world of mixed-up marriages and confused families. First-century believers had to learn the first principles of having godly marriages and families that please God. Twenty-first century believers face the same difficulties, but thankfully, God's plan has been the same in every age: His people are to have Word Filled Families! This book will instruct and challenge you in the Scriptures. By God's grace, you will be drawn to desire a Word-filled life as a man or a woman, a Word-filled marriage as a husband or wife, a Word-filled family as a father or mother, and a Word-filled prayer life as a couple in oneness of heart and mind.
