

# Writing and Drafting in Legal Practice

Writing and Drafting in Practice provides an up to date and comprehensive guide to writing and drafting - from the first stages of preparation to the final edit - for anyone starting out on a legal career. Unlike an English usage text or style guide or a specialised drafting or precedent book, Writing and Drafting in Practice condenses and combines the main principles, rules, techniques and conventions in one volume for newcomers to legal writing and drafting. It is designed to accompany readers from vocational study through to their qualification as solicitors, as well as throughout the early years of practice. Coverage of email and other electronic communications is included, as are a wide range of legal writing formats such as reports and memoranda. Featuring checklists and examples, it can also be used as a reference for suggested approaches to common problems.

Register now! This session will identify key tips and traps involved in the preparation of legal advice, documents, including court documents and how to apply them in practice. Scrutinise complex legal problems conduct research and draft legal Interpret and apply different types of legal writing and drafting techniques and conventions.
