

Mastering Evernote - Organise your life with Evernote, Quickly and Easily!

Would you like to organize your personal or business life, quickly and easily? One of the best ways for you to do so is with Evernote. If you have heard about Evernote but are not sure how to integrate using it in your life, then Mastering Evernote - Organise Your Life With Evernote, Quickly and Easily! is the book for you. My new book will walk you through all the basic principles of this amazing software and help you to get everything out of it that you possibly can. You will discover all about entering information into Evernote, organizing it and reminding yourself of important events. You will also find out specific information about the following topics

1. Getting Started with Evernote - When you get started with using Evernote properly, it can be so much more for your personal and business organization!
2. Lesson 1: Create and Stack Notebooks - Notebooks are the most basic part of Evernote, yet most people do not use them properly!
3. Lesson 2: Making the Most of Tags - Using tags without overusing them can make a difference in your success with Evernote!
4. Lesson 3: Finding What You Want - Rather than just searching for information, you can use this chapter to learn exactly how to find it!
5. Lesson 4: Share Notes and Notebooks - Learn how and why you should be sharing both notes and notebooks with others!
6. Lesson 5: Email to Evernote - The email to Evernote feature is often underused. This chapter can help you to set it up properly and to use it when you are on the go!
7. Lesson 6: Using the Web Clipper - This part of the program is also underused but it is a very powerful tool for research and for saving time!
8. Lesson 7: Attaching to Notes - You can include a wide variety of attachments with your notes that will also be searchable, if you have your program set up properly!
9. Lesson 8: Premium Benefits - Evernote Premium is inexpensive and worth the

money! This chapter tells you why! 10. Lesson 9: Evernote Business - If you operate a business or are responsible for keeping things organized in a business, Evernote provides you with the tools that you need! 11. Lesson 10: Checklists and Reminders - Keep your everyday life organized with checklists and reminders! 12. Tips and Tricks for Everyday Use - A number of useful tips and tricks that you will find yourself using daily with Evernote. 13. How to Organize Evernote Efficiently - When you organize Evernote properly, it is much easier to find what you need! And much, much more Evernote is a very powerful program and is one that continues to grow. Getting started on the right foot is imperative for making the most out of this useful program. Mastering Evernote - Organise Your Life With Evernote, Quickly and Easily! is designed for the beginner but it also has information that will help individuals who have been using Evernote for a number of years! Download your copy today and begin organizing your life to the greatest extent possible. Simply click the link above to get started!
